LMC OPEN MEETING

Monday, 7 March 2011

Education Centre, Alder Hey Children's Hospital
commencing at 7.00 pm

Health Bill 2011 and GP Specification LES

As the BMA is holding a **Special Representatives Meeting** on 15 March 2011, to consider the Health Bill 2011, the LMC believes that it would be helpful to gauge the views of GPs, so that Representatives for the area are fully informed of the mood of Liverpool GPs.

After months of discussions and negotiation between Liverpool PCT and its Professional Executive Committee, PBC Groups and the LMC, agreement has been reached on the basis for the GP Specification and the Key Performance Indicators.

This meeting will provide an opportunity for colleagues to raise any matters relating to the implementation of the Specification and monitoring of Key Performance Indicators.

This flyer is being circulated to 400+ GPs who are on the Liverpool PCT's Performers List, therefore it is imperative that you notify the LMC office of your intention to attend. As the capacity of the venue is 180, places will be allocated **TO GPs ONLY**, on a first come, first serve basis.

Secretary, Liverpool LMC
