To: Barnett Rob
Subject: Management support for Clinical Commissioning in Liverpool

1. Consortium General Managers

Liverpool North Shadow Clinical Commissioning Consortium	Jenny Levy
Liverpool Central Shadow Clinical Commissioning Consortium	Colette Morris
Liverpool Matchworks Shadow Clinical Commissioning Consortium	Jacqui Waterhouse

This role is pivotal in ensuring local involvement in decision making and then implementation of agreed approaches within the consortium. Consortium General Managers will remain dedicated to their individual Consortium.

2. Service Improvement Leads

Unplanned Care	Michelle Urwin
Planned Care	Cheryl Mould
Paediatrics	Cheryl Mould
Prescribing	Peter Johnstone
Mental Health	Clare Mahoney
Health Improvement	Tom Fairclough
Long Term Conditions	Lynda Carey

These leads will support the Clinical Leads from each consortium in the development of service models and pathways. Consortium General Managers will then ensure effective implementation within their own consortium.

A corresponding list of Clinical Service Improvement Leads is attached.

3. Trust Leads

Aintree	Alison Picton
Royal	Alison Picton
Liverpool Women's Hospital	Jean Rogers
Alder Hey	Jean Rogers
Merseycare	Clare Mahoney
Liverpool Community Health	Tony Woods

These leads will support the Clinical Leads for each Trust in discussions regarding the Quality and Contracting agenda and be the 'interface' between Clinical Commissioning and the Contracting Team. A list of the Clinical Leads for each Trust is also attached.

4. Other key programmes / projects

Commissioning Plan	Tony Woods / John Prescott
Authorisation	Tony Woods / John Prescott
General Practice Specification	Cheryl Mould
Adult Nursing Specification	Lynda Carey
Cancer	Rose Moran
Diagnostics	Dave Scannell

Again, Consortium General Managers will work alongside these leads to ensure delivery at individual Consortium level.

The full team also includes Project Officers, Analysts and Administrators, all of whom are there to support Consortium Executive members, and can be drawn on through the lead managers.
